

Year-round Entertainment

If you are looking for a break from outdoor pursuits, Timmins has an abundance of indoor activities. Our city offers a variety of shopping opportunities, from malls to quaint boutiques in the downtown area. Grocery stores and pharmacies can be found easily throughout the city. Needless to say, being the hub of the region, Timmins caters to every shopper's desire.

Get a feel for our cultural heritage and enjoy a pleasant afternoon at one of our wonderful attractions.

Bowling is a fun activity for a rainy day, as is the indoor swimming pool at the Sportsplex. What's more, you can catch the latest movie at the cinema or enjoy a great afternoon of fun at a pool hall.

Timmins has a plethora of spectator sports to please all tastes. You can kill the winter blues by catching a hockey game at one of our many arenas, or a curling game at the McIntyre. In the warmer months, many parks are buzzing with soccer and baseball games where you are more than welcome to cheer for our local athletes.

Timmins nightlife provides entertainment for all ages. You can enjoy one of our local bars, attend a theatre performance or take in a night of music provided by one of our talented local artists.*
