Dear Mr. Marks,

On behalf of the Board of Directors, staff and the more than 600 business members of the Timmins Chamber of Commerce, it is with great pleasure that we congratulate you on your recent election as Chair of the Downtown Timmins BIA.

Your knowledge of business issues and your strong sense of community are qualities that have been recognized in your active participation in the City and the Chamber, and we are sure that the BIA Board will now benefit as well. We anticipate that much will be achieved during the upcoming term under your leadership.

We are pleased to be sharing a board member, Cheryl Corbeil, who we feel will heighten communication between our two business organizations. We are interested in the issues that your board is championing on behalf of our downtown business members, and are certain that there are many issues we can tackle together for the betterment of the business climate as a whole.

Once again, congratulations and I look forward to the continued relationship between the Timmins Chamber of Commerce and the Downtown Timmins Business Improvement Association.

All the best,

Ken Petersen
