

PLENTY TO DO IN TIMMINS

Whether you spend a day, a weekend or longer, Timmins has a wealth of year-round outdoor recreational activities for the whole family. You can truly experience all that it has to offer, from its rugged wilderness to its modern parks and facilities.

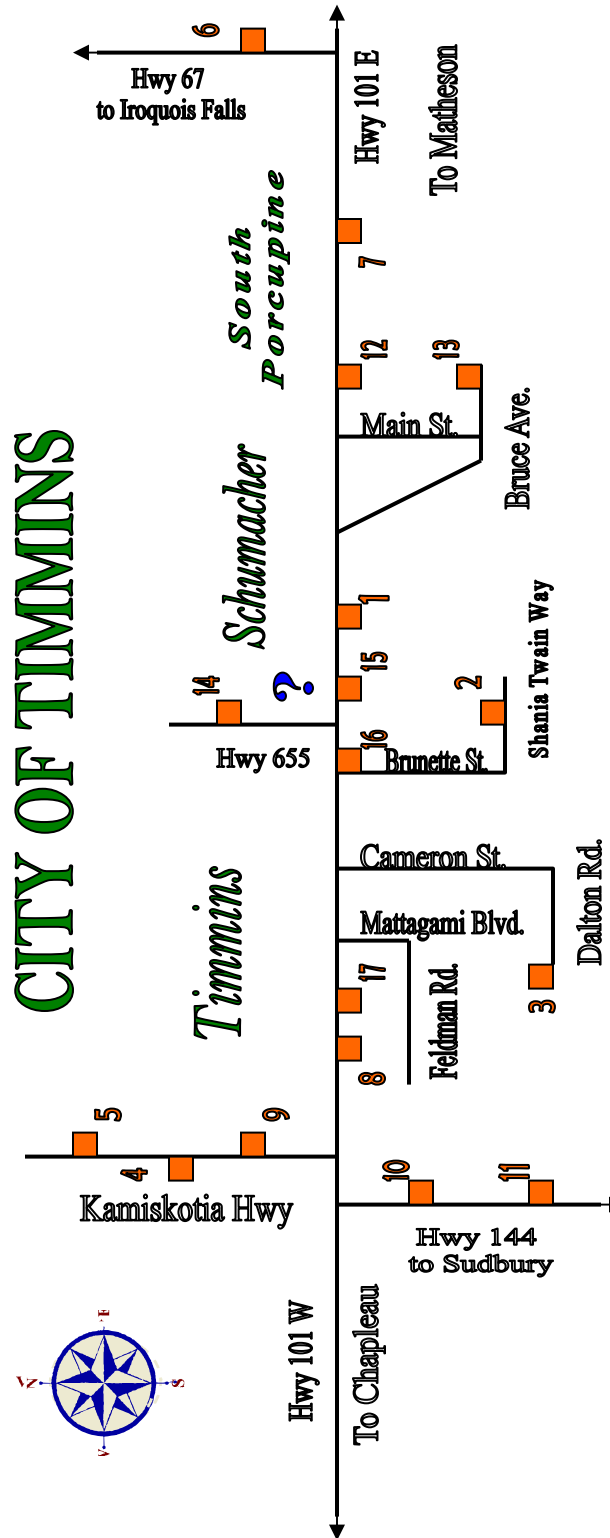

In the warmer months, fitness enthusiasts can golf at one of our three public golf courses or hike on some of the best-groomed trails in the North. There are plenty of beautiful, family-oriented campgrounds in the area that offer popular leisure activities such as swimming, fishing, boating, and water skiing. In town, the whole family can enjoy a splash at a water park, a game of mini golf, or even an afternoon at a fishing farm.

During the winter months, you can experience the enchanting beauty of the north by walking*, snowshoeing, snowmobiling, cross-country skiing or downhill skiing.

Last but not least, enjoy a few hours at one of our many playgrounds, skating rinks (outdoor or indoor), or tennis courts** with family and friends.
