### News Release

*The Timmins Chamber of Commerce Sustainable Energy & Environment Committee is pleased to announce that Porcupine Joint Venture is our newest community partner in the Timmins One-Tonne Challenge.*

*"We really appreciate support from our local businesses. Their sponsorship makes it possible for us to implement our planned activities that will create awareness in our community," stated Marilyn Wood, Chair of the Sustainable Energy & Environment committee.*

*"PJV is a strong supporter of the One Tonne Challenge. The PJV is very aware of its energy use and will use the OTC to help support its internal energy review and energy savings initiatives.
