

ASK THE EXPERT

Join us as we discuss “Wills, Powers of Attorney & Estate Planning”

What is a **Will**? When does a Will need to be “**Probated**” and how much does this cost? What is a **Power of Attorney**? How do they work? Do I need one?

If you’ve ever asked these questions yourself or are in the process of helping a friend or loved one manage their personal affairs, this seminar is for you.

You’ll gain current information and professional legal insight on **Wills, Powers of Attorney** and an introduction to **Estate Planning**.
